SmartCash® Vault

Build your next branch in
your customers back room!

SmartCash Vault

Differentiate through value-added service.

Retail banking has progressed rapidly in recent years. Today, banks must balance the need to control cost with the need to differentiate through superior service.

Thanks to SmartCash Vault, you have the ability to penetrate new markets, develop new customer relationships, and deepen existing relationships without building a single new branch.

Offer Burroughs turn-key solution today

Extend footprint without building branches

Increase value-added customer services

How it Works

Traditional cash deposit process...

SmartCash vault-enabled process...

When you deposit cash in the SmartCash Vault, you receive **Instant Deposit Credit** without having to visit the branch. As soon as the money is in your safe... **it's in your account!**

Reallocate your manager's time while improving cash flow.

Benefit from Burroughs Expertise

As a leader in technological innovation for the financial industry, Burroughs has built a reputation of excellence over the past 100 years.

By partnering with Burroughs, financial institutions are able to take advantage of Burroughs technical support, installation expertise, consultative services and coast-to-coast maintenance network.

- No need to qualify the device on your network; Burroughs handles it all
- Data transferred in standard formats according to your schedule
- Burroughs is there to service and support your clients around the clock
- Burroughs data center is SAS70, type II compliant
- Closed-loop process increases vault teller productivity by a factor of five
- Web-enabled reports provide valuable business intelligence to your clients

Simply put, Burroughs manages the obstacles associated with launching a new product so you don't have to.

Build Relationships; Not Branches

Imagine the opportunities with SmartCash Vault.

Now, rather than being restricted to the geography of your branch footprint, you can develop deposit relationships with clients coast to coast.

Using Burroughs approach to securing cash deposits remotely, you can offer your clients the functionality of a full service branch in the convenience of their own business.

Meet your customers on their turf

Build your next branch in their business

Add Value with SmartCash

Create robust remote deposit capture solutions that addresses cash and check capture.

Recapture cash processing fees and provide better service.

Deepen customer relationships, significantly reducing account attrition.

Add value to existing business banking portfolio with a service that promotes retention.

Gain greater visibility to the overall cash ecosystem, allowing for better supply-chain management.

About Us

Burroughs Payment Systems, Inc. offers its customers access to world class service, industry leading technology, and overall support for a portfolio of payment related products.

The Burroughs headquarters, located in Plymouth, Michigan is home to research and development, manufacturing, sales and support organizations for all product lines and services. These organizations are collectively responsible for custom solutions like the industry-leading SmartSource® check and document scanners and SmartCash™ cash automation solutions. Enterprise servers, device performance management software, a wide range of printer products, and a variety of financial supplies combined with implementation and maintenance services complete the Burroughs portfolio.
